

Be the Best

Be the Best
By giving your best;
'cause God gave his best-
Jesus the First and the Last.

Like Joseph, be the best
Like Daniel, be the best.
Like Paul, be the best.
Like Esther, be the best.
Like Dorcas, be the best
Like David, be the best.

To be the best,
Wise-up first;
By putting God first.
Scale the crest.
Sit the test.
Pass, excel in the test.
Beat the beasts and pests,
Be full of manifest zest,
Take no undue rests.

To be the best,
Aim higher than the first.
Quench God's thirst.
Pursue, be on a quest.
Leave the feathered nest.
Work hard, quit being a guest.
In yourself invest.

To be the best,
Make most of the season best;
With the currency, keep abreast.
Go from conquest to conquest.
Give your soul a feast.
Know that you're blest
To be a blessing first.
