

THE PRINCE OF PEACE

The Prince of Peace

Was wronged

Not for His wrong

But for our wrongs,

He who knew no sin was made sin that the sinful may go free

*He Lord of Glory suffered; was
He made. on the day foreordained
He bought and brought salvation*

*crucified by those He made on the tree
before the foundation of the world
shedding of His blood for the world;*

So Today if you hear His voice;

if You hear His knock

On the door of your heart

Open the door.

For a fresh start.

Great good is in store;

For those who come;

For those who call.

If you hear His voice,

Make Him your choice.

Make the right choice.
