

Hope Has a Way

Hope Has a Way

Where there is no way
Believing in Hope
Even against every
hope.

Hope hear from God-
The God of Hope.

Takes Him at His word
Standing on the promises
standing on the New Covenant
Established on better promises.

Hope turns on the light
dispelling any darkness
infusing Spirit's might
removing blindness
replacing the blues
with the glorious, radiant Gospel
Giving a song in the night.
Turning a desert into
An ever-green forest
Making a road in the wilderness.
