

A NEW YEAR AGAIN, O FATHER!

**A New Year again
O Father-the Most High God.**

**I thank You for being my Father
I thank You that You're so true and care .
I thank You for bringing me thus far.
I thank You for this New Year.**

**I praise You for Your grace,
Which through Jesus has come to Adam's race.
Grace unlimited that grants me room to behold
Your face.**

**I trust in You O Lord to carry me through this
Race.**
