

Happy New Year

**A New Year again
O Father -the Most High God.**

**I thank You
for being my Father
I thank You for being
so true and always there.**

**I thank You
for bringing me thus far.**

**I thank You
for this New Year.**

**With you in me ,
with me and for me ,
I can rest assured of
Goodness and Mercy
Always following me
throughout the year.
In Jesus' Name. Amen**
